- Reading, Blogging

I can support other students in their career's aspirations in the following ways

- 1. Mentoring / Guiding
- 2. Coaching
- 3. Giving Real time Project
- 4. Sponsorship [Harvard Concept]
- 5. Teaching

I am inspired by:

- Elon Musk who only believes in Hard work powered by passion & purpose !

A recent book/music album/movie that I found interesting :

- Disrupt yourself – Whitney Houston

Your favourite quote/ saying

“ Persistence is very important. You should not give up unless you are forced to give up.

-Elon Musk ”

I am put off by:

- By People who are not authentic to themselves- You got to be a person of Values as Values counts more than words !

If I have to describe myself in 3 words, I would choose these words:

- Constant Learner , Hard worker, Innovator

I think these are the 3 biggest difficulties students face in pursuing their career aspirations:

- 1. Not asking Questions
- 2. Being Curious [exploratory mindset]
- 3. Not updating themselves to real time scenarios (practical – combining theory and practical application)

If I could change 2 things in the world, I would change these

- 1. Education
- 2. Health
